

Szymon Trzebiatowski

In 1995, Szymon Trzebiatowski graduated from the Faculty of Economics at the Poznań University of Economics. He started his professional career as specialist in economic credits at the WBK S.A. bank division in Poznań.

Year 1995 was the beginning of the work for Volkswagen Poznań at the department of Controlling. At the turn of years 1999 and 2000, under the German-Polish edition of MBA, Szymon Trzebiatowski gained experience at the Financial Analysis Department in Hannover, and in September 2000 he took over the responsibilities of manager of a new department of Financial Analysis at VW Poznań.

The next stage in his professional career was taking up the position of the manager of Structural Controlling at VW Poznań. Year 2007 passed as a year of further challenges, this time in the role of manager of NF-3 Factory Controlling at the Hannover factory of Volkswagen Nutzfahrzeuge.

Since 1st January 2008, Szymon Trzebiatowski is a Board Member for Finances and Organisations at Volkswagen Poznań.
